

## NEWSLETTER 2 OF 2020

Dear Parents

Our community and world have entered a challenging time where we are being compelled to slow down and disconnect from outside distractions, and to reconnect with our loved ones and ourselves. This might prove to have a healing effect for us both physically and psychologically in the long run.

As a society our overriding objective, at this moment in time, is to remain healthy. We are being inundated with advice, i.e. wash your hands frequently, maintain a distance of one metre between yourself and anyone coughing/sneezing, avoid touching your face etc.

Agreed, it is crucial to be proactive and responsible by putting preventative, valid strategies into place. This, however, might add to the anxiety and stress already experienced by people. If we are panicky, tense and tired, our immune systems are already compromised which in turn makes it more difficult to fight off infection. Let us focus on adjusting to our new routines and not overcomplicate things.

Eunice will continue to remain connected with learners and to communicate important information to parents.

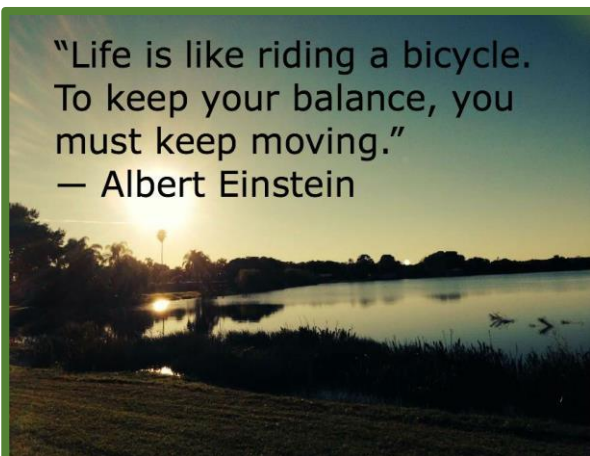

Dr Caroline Leaf, in her book titled, *Switch on your Brain Every Day*, mentions that: 'Thoughts create your mood. When you experience a fear-based emotion, you will feel under the weather and your thoughts will be shaped by your negativity. Your thinking will become distorted and you will lose the joy of the NOW moment, making your body vulnerable to other diseases and illnesses. If, however, your thinking is positive, your mental and physical health will improve.'

In closing, let us all stay focused on what matters most.

Yours sincerely  
Mrs Zinnette de Wet

## 1. Winter Uniform

From 1 June it will be compulsory for learners to wear winter uniform. There will, however, be an interim period from 1 May till 1 June when learners may wear either summer or winter uniform.

Choc/Brown stockings (winter opaques) is the only colour allowed to be worn with the winter uniform, from this year. The school clothing shop has a 100 pairs in stock, at R50 per pair. They can also be purchased from Woolworths at a cost of R130 for three pairs.

## 2. Academic time during the 9-day extension

Learners were asked to take home all textbooks and additional academic resources for the holiday. Educators will communicate contingency plans, with them, electronically – via Whatsapp class noticeboards. Learners remain responsible for staying abreast of information communicated.

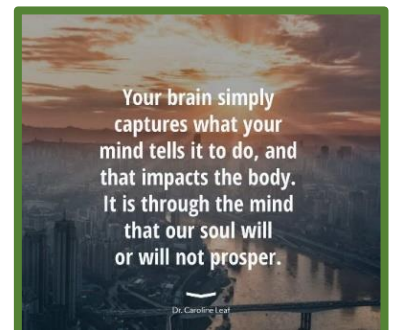

## 3. Winter School (Grade 11 and 12)

The following notice was received from the Director-General of Basic Education on Tuesday 17 March: 'Due processes will be followed to formally amend the school calendar to make up the loss of nine days of schooling. In order to recover the academic programme, the June 2020 vacation will be shortened by seven (7) school days and the September 2020 vacation will be shortened by three (3) school days.'

The Department of Education is yet to publish revised term dates for 2020. To ensure that no learner's academic progress is compromised or hindered, there is a high **probability** that Eunice will host a Winter School for senior grades during the June/July holiday. Arrangements will be communicated when a decision is made.

## 5. Health and Hygiene Practices

When school resumes, it is imperative that you supply your daughter/s with tissues and hand sanitiser until further notice. Additionally, a vitamin supplement should be added to your daughter's diet to ensure that she maintains a healthy, robust immune system. We believe that if the abovementioned measures are administered then absenteeism will be managed more effectively.

## 6. Finance office hours: Boarder parents must please take note of the following arrangements:

- Eunice House will open on Monday 13 April 2020.
- Your first stop will be at the Finance office, at the High School, to settle accounts and/or collect an admission ticket.
- Hostel fees must be paid in advance.
- Final EFT payments should be made by **Thursday 9 April 2020** to ensure that it reflects in the school's account by Monday 13 January.
- Office hours: 10:00 – 18:00.
- Admission tickets must be presented when entering Eunice House.
